Pupils should learn about the Eucharist, including differing Christian beliefs and practices.

What do people mean when they say 'suffering makes you stronger'?

Who or what provides people with hope and comfort in difficult times?

# Who can I turn to for help and support?

**Focus Question: Why do Christians believe Good Friday is good?**

This unit enables pupils to explore the events of Holy Week and Easter Sunday in the Christian religion. This builds on their prior knowledge of Lent, the Easter Story and the concept of Jesus' sacrifice. They will focus on Christian beliefs about suffering and how these are responded to and commemorated through the events of Holy Week. Through study of Eucharist in different denominations, pupils will identify how Christians view the death and resurrection of Jesus as a source of guidance and comfort. They should have opportunities to reflect on whether suffering can make a person stronger and who or what they can turn to when facing difficulties.

Field of Enquiry	Possible Teaching Ideas
Shared Human Experience	<ul style="list-style-type: none"> <li>Take pupils to a large space, such as the school hall or playground. Give them each a piece of A3 paper/card each and ask them to stand on it at one end of the space. The challenge is to get from where they are to the other side of the space without stepping off a piece of paper. They should quickly realise that completing the challenge alone is impossible - it can only be completed by teaming up with others for help and support.</li> <li>Ensure that pupils understand what is meant by the terms guide, comfort, strength, suffering, struggle and courage. How were these present in the challenge?</li> </ul>
